SUES FOR HIS SKIN.

Spokane, Wash., Man Demands \$10,000 Damages.

Spokane, Wash., Oct. 16.—George A. Lovejoy, an Elk, who was selected to furnish cuticle to save a fellow Elk's wife, Mrs. Fred B. Searles, who was suffering from severe burns, Saturday brought suit against Dr. C. P. Thomas for \$10,000 as the value of 50 inches of skin, which he says the doctor peeled off his legs while under chloroform.

Mr. Lovejoy asserts that it was represented to him that the surgeon would take from his thighs only two or three strips of cuticle, three or four inches long and three-fourths of an inch wide. After the operation Lovejoy found that the fronts of his legs between the knee and hip were stripped of skin and it was ten days before he was able to leave the hospital.
